Come Visit for College Days
It’s Your Experience
You’ve heard a lot about what college is going to be like, probably from brochures, websites, promo videos, and friends. You’ve heard what others have told you—but nobody can tell you what it feels like to walk through PCC’s campus for the first time.

Nobody can show you what it means to joke around with roommates while chowing down on a late night snack in the residence halls. Other people can try to explain their own college days to you, but they can’t make you hear cheering fans at an Eagles game or smell the aroma of coffee coming from the Common Grounds Café when you enter the Commons.

**Get a Look Inside**

See the campus on a whole new level through classes, chapel, and campus tours. Meet key people during your visit—the President of PCC, faculty, and students in your major of interest. Speak with enrollment advisors about the application process. Come learn what life as a PCC student is all about!

**Explore the Area**

Check out Pensacola’s white, sandy beaches, historical sites, and downtown cafes and shops.
